Certificate of Supervisor

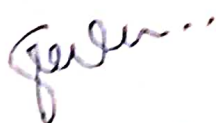

This is to certify that work entitled "*Formulation And Development Of Solid Self Emulsifying Drug Delivery Systems Of Antihypertensive Drugs.*" is a piece of research work done by Mrs. Sheetal Sandip Buddhadev under my supervision for the degree of Doctor of Philosophy in Department of Pharmaceutics, School of Pharmaceutical Sciences, Faculty of Paramedical Sciences, Atmiya University, Rajkot, Gujarat, India

To the best of my knowledge and belief the research work and thesis

- I. Embodies the work of candidate himself / herself,
- II. Has duly been completed,
- III. Fulfils the requirement of ordinance related to Ph.D. degree of the University &
- IV. is up to the standard both in respect of content and language for being referred to the examiner.

Acknowledgement

Research thrives in isolation. This initiative owes its existence to the passionate encouragement, support, and cooperation of my parents, guides, teachers, friends, and well-wishers. This thesis is the product of unlimited encouragement, constant guidance, and resolute collaboration from many sources converging towards a shared objective. I extend my wholehearted gratitude to everybody who have directly or indirectly contributed to the accomplishment of this thesis.

Above all, I deliver my thanks to the loving and merciful God for providing me the privilege to immerse myself in the world of science.

This work was carried out in the Department of Pharmaceutics, Faculty of Pharmacy, Noble University Junagadh, during the years 2020–2024. I am appreciative to Noble Group of Institution, Noble University extending the facilities to work at the institute.

I convey my deepest gratitude and respect to my supervisor, Dr. Kevin Kumar C. Garala, Associate Professor in the Department of Pharmaceutical Sciences, School of Pharmaceutical Sciences, Faculty of Paramedical Sciences, Atmiya University Rajkot. His fantastic leadership has led this thorough treatise, shifting my path from apprehension to a joyous intellectual activity. I owe him for his intelligent guidance, constructive ideas, and crucial critiques relevant to the findings reported in my thesis. Above all, his continuous conviction in my skills has been a motivating force for which I remain forever thankful.

I am appreciative to Dr. Hemraj M. Tank, Principal, and Professor, Department of Pharmacy, Atmiya University, who has supplied the appropriate impetus soulfully and from whom I have gained several outstanding traits like patience, preservance and management skills.

I am greatly obliged to Dr. Mihir Raval and Dr. Sunny Shah for their intelligent suggestions and valuable remarks that helped me a lot during my study effort. I convey my profound gratitude to them for their prompt advice, courteous assistance, and collaboration during the complete research endeavor.

I would like to convey my sincere appreciation to Dr. Ashish Kothari, Deputy Registrar, Atmiya University, Rajkot for helpful conversations, recommendations, and encouragement. I would like to pay particular appreciation to Dr. Sheetal Tank, Chief Librarian of Atmiya University, for providing the facility and support required throughout this study.

I would like to thank Dr. Santosh Kirtane, Dean of the Faculty of Pharmacy, Noble University, for providing encouragement to undertake this project. As a dean, he constantly supported me and provided guidance and counsel as and when required during this study.

I would like to thank my colleagues Dr. Ram Darshit, Dr. Sibaji Sarkar, Mr. Dharendra Kumar Tarai, Mr. Bhuvnesh Thakar, Mr. Vasim Sida, Miss Rukhshar Khilji, Mrs. Hinal Solanki, and Mrs. Priyanka Miniya for their insightful recommendations, guidance, and unselfish support during the investigation.

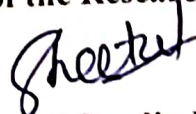

I pray my deepest thanks to my best friends, Dr. Mukesh Nariya, Dr. Manish Rachchh, Dr. Shital Faldu, Dr. Palak Desai, and Dr. Jalpa Paun, for their help and moral support.

I would like to be very thankful to Nikishan Pharmaceuticals, India, Abitec Corp. USA, Gettefosse India, BASF India, Fuji Chemical Industries USA, and Torrent Research Center India for supplying respective gift samples. I am grateful to thankful to Accuprec Research Labs Pvt. Ltd., Ahmedabad, for carrying out a pharmacological study successfully.

I am immensely grateful to my esteemed parents and parents-in-law for their continuous support and affection, which have been my basis. Dhvani and Devanshu, my cherished children, are thankful for your tolerance throughout my absence. Heartfelt appreciation to my relatives for their constant love, encouragement, and support that have boosted my efforts.

My appreciation has no bounds as I salute my spouse, Dr. Sandip Buddhadev, for his enormous care, unrelenting support, and unflinching trust. His efforts in lowering my domestic chores have been significant in reaching timely completion. His guidance and encouragement have been my driving force.
