

Declaration by Research Scholar

Originality of Research Work

I **Shivani D. Patel** declare that thesis entitled “*Study of Effect of Growth and Disease Resistance In Selected Economically Important Crops of Saurashtra Region- India*” is my own work conducted under the supervision of **Dr. Chitra Bhattacharya** at Department of Microbiology, **Faculty of Science**, Atmiya University, Rajkot, Gujarat, India and approved by the Director of Research & Co-supervision of **Dr. Neepa Pandhi**, Associate Professor & Head, Department of Microbiology, Shri M. & N. Virani Science College, (Autonomous) Rajkot, Gujarat and approved by the Director of Research.

I further declare that to the best of my knowledge the thesis does not contain any part of any work which has been submitted for award of any degree either in this University or any other University without proper citation.

Acknowledgement

- I am grateful to all those in whose presence guidance and support I am able to successfully complete my PhD which does not end up conceivable without involvement of a few willing spirits.
- I grateful to the creator and the supreme of life. I am highly indebted to **Lord Swaminarayan, P. P. Hariprashad Swamiji and P. P. Premswaroop Swamiji** for their blessings that led me to successful completion of this work.
- I like to thank very much to **P. P. Tyagvallabh Swamiji**, president of Atmiya University under his constant blessings on me. And **K. D. Ladva**, Principal of Shri M. & N. Virani Science College, Rajkot. Also like thank **Swastik Didi & Samarpan Didi** for her constant support to achieve my work done.
- **I am heartily thankful to our Director, Atmiya University, Rajkot for his co-operation and dedication whenever we needed and for providing the best infrastructure.**
- I would like to extend my gratitude towards Department of Higher Education, **Government of Gujarat** for their immense contribution that had a major impact towards my work **SHODH Scheme**.
- I am highly thankful to **Dr. Ashish Kothari** (Director of research and innovation, Atmiya University) for valuable assistance and supportive attitude throughout this period of study.
- Primarily, I gladly acknowledge my sincere and deep gratitude for my supervisor and pathfinder **Dr. Chitra Bhattacharya and co-supervisor Dr. Neepa Pandhi**, whose expertise, understanding and patience, added considerably to my Ph.D. experience. Her stimulating suggestions and sustained support helped me to shape my research. I am amazingly privileged for the logical intellectual she has introduced in us which will remain in our future undertaking. I am very much thankful for his constant encouragement during the hard times, keeping faith in me and making my research an interesting and memorable journey.
- It gives me immense pleasure for heartfelt gratification towards **Dr. Rohan Pandya**, Head of Department (Microbiology), Atmiya University, Rajkot for his almost presence and guidance for providing the best facilities for wet lab practices and other all facilities required for the completion of work.
- I take this sincere opportunity to special thanks for **Dr. Mousumi Das**, Assistant Professor Atmiya University for documentation of result and for her fullest support whenever needed.
- My heartily gratitude towards our all-time supporters **Dr. Abhijeet Joshi**, Assistant Professor Atmiya University, **Dr. Bhargav Waghela**, Assistant Professor, **Dr. Neha Patel**, Associate Professor Atmiya University, **Mrs. Khushboo Mehta**, Assistant

Professor Atmiya University, **Ms. Dhruvi Bhila**, Lab Assistant, **Mrs. Hetal Parmar**, Assistant Professor Atmiya University all time helping hand and in completion of review of the literature.

- I am also deeply thankful from bottom of my heart to, **All Staff members** of Microbiology department. And My co fellow and **PhD colleagues** for their support.
- Lastly, we would like to pay our thanks to every one of the people that have been helpful deliberately or unexpectedly to make this research worthwhile.
- I would seriously gratitude toward *Master Dissertation Students Saloni Makadiya, Jensi Nandaniya* and *Amisha Parmar* for their support and help although having busy schedule and helping in documentation of overall thesis.
- I would like to thankful *Mr. Mitesh Dave, Mr. Indrajeet Vatukiya* and *Mr. Hiren Adani* **for their support and helping during my practical work in the laboratory.**
- Lastly I thank my all *other lab mates* and my *close friends* for their encouraging me to do work and their guiding me on the path. Life is not complete without the foremost support of *Parents, Brother Mr. Sagar D. Patel and Sister Ms. Janshi D. Patel*. I bow them for their devotion, inspiration with unconditional support without their blessings on me I would not at this place.
