WELCOME TO OUR

Monthly Newsletter

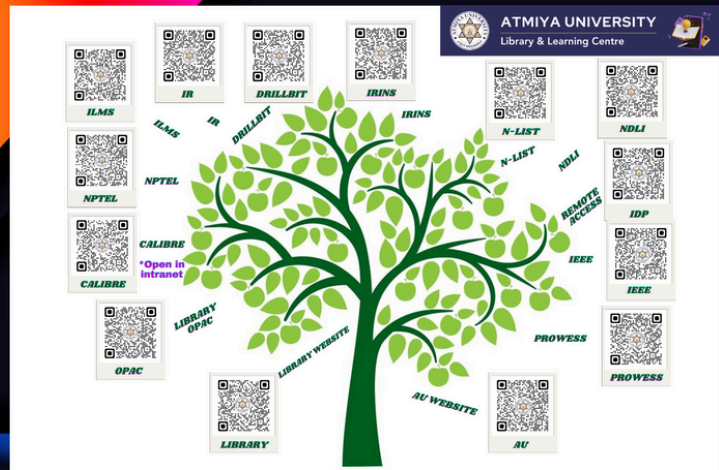

Online Access to Print Journals

We are delighted to inform you that certain print journal subscriptions in our library now include online access, enabling you to read the most recent research and articles at your convenience. You can access these journals through Online Access. This service guarantees that you remain informed about scholarly content, even when physical copies are unavailable. Should you require any assistance or additional information, please reach out to the **Library Help Desk**.

Library Services Tree: Growing Knowledge

Our library is like a tree, deeply rooted in knowledge and expanding its branches to serve you better. At its core, we provide essential services

Research, Innovation

Dr. Satishkumar D. Tala

PUBLICATIONS, CITATIONS /
H-INDEX, GOOGLE SCHOLAR

Dr. Satishkumar D. Tala is an Associate Professor in the Department of Chemical Sciences at Atmiya University, Rajkot. His research focuses on **Synthetic Organic Chemistry, Heterocyclic Chemistry, Medicinal Chemistry, and Anticancer Research**. He designs and synthesizes novel organic molecules, particularly heterocyclic compounds with pharmaceutical and material science applications. His work in Medicinal Chemistry involves developing bioactive molecules for potential cancer treatments. Dr. Tala has published **84 journal articles, 9 books, 4 conference proceedings, and 1 patent, earning 431 citations with an h-index of 11**. His research bridges chemical synthesis with practical medical applications.

Save Earth

☘ "What we are doing to the forests of the world is but a mirror reflection of what we are doing to ourselves and to one another." – Mahatma Gandhi

♥ "Small acts, when multiplied by millions of people, can transform the world." – Howard Zinn

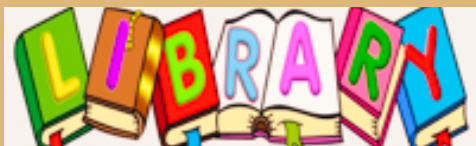

Author of the Month

Kundanika Kapadiya

Kundanika Kapadia (1927–2020) was a Gujarati writer, feminist, and social thinker from India. She is best known for her novel *Sat Pagla Akashma* (Seven Steps in the Sky), which explores women's liberation and self-identity. Her works often focused on gender equality, personal freedom, and social reform.

Kapadia wrote novels, short stories, and essays, influencing feminist thought in Gujarat. She was also associated with the Nari Granth Prakashan movement, which aimed to promote women's literature. Her contributions to Gujarati literature earned her respect as a progressive voice advocating women's empowerment.

Library Activity in February Book Talk

- Book talk was held on the book *The Alchemist* by the Author of the Book Paulo Coelho; this book talk facilitated by Mr. Devang Bagdai student of FoHS B. Pharm. 6th Semester. Watch on you tube link <https://youtu.be/iDYVD5jdSHk>

Vasant Panchami Celebration 2025

- Felicitation of Ph.D. holders 2024,
- Library Best reader award 2024

ONOS – Subject coverage and their publisher

One Nation One Subscription (ONOS) is an ambitious initiative by the Government of India aimed at improving access to scholarly resources for the academic and research community. It seeks to ensure that high-quality journals, databases, and other academic resources are universally available to all educational and research institutions across the country.

Key Objectives of ONOS:

- **Universal Access:** Provide equitable access to scholarly content for all institutions.
- **Cost-Effectiveness:** Negotiate centralized subscriptions to reduce duplication and lower costs.
- **Research Boost:** Enhance the quality of research by providing resources to even the remotest institutions.
- **National Collaboration:** Promote knowledge sharing and collaboration among Indian researchers.

This initiative is expected to democratize access to knowledge, accelerate innovation, and strengthen India's position in global research.
